

Hotel Reservations

Special rates are available for Cucurbitaceae 2016 participants at the Sofitel Warsaw Victoria Hotel, which offers rooms at the same high standard of 5*.

Hotel reservation is possible through the conference [registration system](#).

The special rates will be available until June 1, 2016.

Please note that after the deadline of June 1, 2016, **reservations will be possible on request only and we cannot guarantee rooms availability.**

Due to World Youth Day sharing the dates with Eucarpia 2016, thus far we were only able to save special rates for the Conference participants in two hotels (Sofitel Victoria; Gromada Centrum). Other accommodation is possible by personal booking, e.g. with www.booking.com
