

PUBLIKACJE NAUKOWE

Study on the changes in diameters of sweet cherry fruits during ripening process.

Treder W., Klamkowski K., Wójcik P.

2004

Journal of the Faculty of Agriculture Akdeniz University. 17 (1) 1-7

czereśnia, owoce, dojrzewanie

Susceptibility of one-year-old shoots of scab-resistant apple cultivars to low temperatures in laboratory tests during four winters (1999/2000-2002/2003).

Czynczyk A., Hodun G., Hodun M., Kruczyńska D.

2004

Folia Hort. 16/1 61-72

jabłoń, odmiana, odporność, parch jabłoni, pęd, temperatura, zima

Synthesis of the Central European Strawberry Variety Results.

Kruger E., Krieg E., Innerhofer G., Latet G., Lieten F., MacNaedhe F., Evenhuis B., Kruczyńska D., Żurawicz E., Raffle S.

2004

Acta Hort., 649 137-140

truskawka, odmiana, Europa

Szampion Apple Tree Response to Foliar Titanium Application.

Wójcik P., Klamkowski K.

2004

J. Plant Nutr. 27(11)2004 2033-2046

jabłoń, odmiana, nawożenie, tytan, wzrost roślin, owocowanie

Szkodliwość ślimaków (Gastropoda) i ich zwalczanie w uprawach truskawki.

Jaworska K., Olszak R.W.

2004

Prog. Plant Protection / Post. Ochr. Roślin, 44 (2) 750-754

truskawka, ślimak, szkodliwość, zwalczanie szkodników, preparat

Terminal shoot susceptibility of new Polish apple cultigens to fire blight (*Erwinia amylovora*).

Sobiczewski P., Żurawicz E., Berczyński S., Lewandowski M.

2004

Folia Hort., 16 (2) 149-157

Erwinia amylovora, zaraza ogniowa, jabłoń, podatność

"The benefits of *Vaccinium* species in ecological production. Workshop on "Orchard Management in Sustainable Fruit Production", 21-23 April 2004, Skierniewice."

Krzewińska D.

2004

J. Fruit Ornam. Plant Res., Vol. 12/2004, Special ed. 49-61

Vaccinium, mikoryza, ekologia, uprawa roślin

The effect of CO₂ enrichment and irradiance on growth and chlorophyll fluorescence parameters of *Anthurium hortulanum* Birdsey propagated in vitro.

Nowak J.

2004

Sodininkyste ir darzininkyste, 23 (2) 199-205

anturium, fluorescencja, doświetlanie roślin, dokarmianie CO₂

The effect of cutting dates, temperature and different rootings stimulators on the rooting of cuttings of *Aubrieta cultorum*.

Chojnowska E.

2004

Electronic Journal of Polish Agricultural Universities. Vol. 7 Issue 2

<http://www.ejpau.media.pl/series/volume7/issue2/horticulture/art-04.html>

żagwin, bylina

The effect of plant shading on growth and winter hardiness of Blue Holly (*Ilex x meserveae* S. Y. Hu.) cultivars.

Chojnowska E.

2004

Folia Hort., 16/1 125-132

werbena, odmiana
