

## **PUBLIKACJE NAUKOWE**

Effect of ethylene inhibitors on longevity of cut carnations (*Dianthus caryophyllus L.*) and ethylene production by flowers.

Wawrzyńczak A., Goszczyńska D.M.

2003

J. Fruit Ornam. Plant Res. Vol.11: 89-98

kwiat cięty, etylen, inhibitory, trwałość

---

Effect of methyl jasmonate and ethylene on leaf growth, anthocyanin accumulation and CO<sub>2</sub> evolution in tulip bulbs.

Kawa-Miszczak L., Węgrzynowicz-Lesiak E., Miszczak A., Saniewski M.

2003

J. Fruit Ornam. Plant Res., 11: 59-68

jasmoniany, etylen, dwutlenek węgla, antocyjaniny, tulipan, cebula

---

Effect of nitrogen forms on growth and chemical changes in the rhizosphere of strawberry plants.

Sas-Paszt L., Marschner H., Romheld V., Mercik S.

2003

Acta Physiol. Plant., 25(3)2003, Supl.: 241-247

truskawka, nawożenie, azot, wzrost roślin, ryzosfera

---

Effect of pulse treatment with exogenous cytokinins on longevity and ethylene production in cut carnations (*Dianthus caryophyllus L.*).

Wawrzyńczak A., Goszczyńska D.M.

2003

J. Fruit Ornam. Plant Res. Vol. 11: 77-88

kwiat cięty, etylen

---

Effect of red light on ex vitro rooting of rose and gerbera microcuttings in rockwool.

Podwyszyńska M., Gabryszewska E.

2003

Acta Hort. 616: 237-243

róża, gerbera, światło, ukorzenianie

---

Effect of thidiazuron and paclobutrazol on regeneration potential of flower stalk explants in vitro and subsequent shoot multiplication.

Podwyszyńska M., Marasek A.

2003

Acta Soc. Bot. Pol. 72(3): 181-190

kultury in vitro

---

Effect of vernalization and some growth regulators on sweet pea plant development.

Chojnowski M., Grzesik M.

2003

Vegetable Crops Research Bulletin. Vol. 58/2003: 103-112

groszek pachnący, wernalizacja, regulatory wzrostu, kwitnienie

---

Effects of flurprimidol and concentration of nutrient solution on growth and flowering of two osteospermum cultivars 'Cream Symphony' and 'Lemon Symphony'.

Nowak J.

2003

J. Fruit Ornam. Plant Res. 11: 113-120

osteospermum, odmiana, nawożenie, kwitnienie, wzrost roślin

---

Effects of guanidine polymer on the seed health, enzyme activity and germination. 1st Conference of The Polish Society for Plant Experimental Biology, Olsztyn, 3-6 September 2003.

Grzesik M., Romanowska-Duda Z., Janas R.

2003

Polish Journal of Natural Sciences, Supl. 1/2003: 202

nasiono

---

Effects of high density planting and two training methods of dwarf apple trees grown in Sub-Carpathian region.

Szczygieł A., Mika A.

2003

J. Fruit Ornam. Plant Res. 11: 45-52

jabłoń, gęstość, sadzenie, Karpaty

---
