"Effect of different soil water potential on summer grown poinsettia (Euphorbia pulcherrima Wild. "Lilo")."

Nowak J.S., Strojny Z.

2001

Acta Hort. 548 425-429

poinsecja, gleba, woda

---

Effect of exogenous growth regulators on quality and longevity of cut tulip flowers.

Wawrzynczak A., Goszczyńska D.M.

2001

J. Fruit Ornam. Plant Res. 8 (3-4), 2000 87-96

tulipan, regulatory wzrostu, KBN

---

Effect of grapefruit extract on development of Phytophthora cryptogea and control of foot rot of gerbera.

Orlikowski L.B.

2001

J. Plant Prot. Res. 41 (3) 84-90

gerbera, Phytophthora, grapefruit, preparat

---

Effect of honeydew honey - containing food on the condition of caged bees.

Muszyńska J.

2001

J. Apic. Sc. 45 159-166

pszczółka, miód

---

Effect of priming and antioxidants on seed germination, seedling emergence and plant growth of China aster (Callistephus chinensis Ness.).

Karsznicka A.M., Grzesik M.

2001

Folia Hort. 13/1A 597-602

aster, nasiona siewne

---

Effect of raw material storage time on the quality of apple chips.

Konopacka D., Płocharski W.

2001

Drying Technology - An International Journal 19 (3) 559-570

jabłoń, owoce, czipsy

---

Effect of rootstocks on growth and yield of plum trees.

Sitarek M., Grzyb Z.S., Kołodziejczak P.

2001

J. Fruit Ornam. Plant Res. 9 (1-4) 19-24

śliwa,podkładka

---

Effect of some factors on brood survival in a bee colony.

Kruk C.,Skowronek W.

2001

J.Apic.Sc. 45 121-126

czerw pszczeli

---

Effects of ABA, fluridone and light quality on growth and dormancy of tissue-cultured herbaceous peony shoots.

Gabryszewska E.

2001

Acta Hort. 560 407-410

piwonie,regulatory wzrostu,kultury in vitro,spoczynek roślin

---

Effects of within row spacind and training systems of plum trees grafted on vigorous and semidwarf rootstocks.

Mika A.,Buler Z.,Chlebowska D.

2001

Acta Hort. 557 275-279

śliwa,cięcie formujące
